SERVING WITH CAMPUS CRUSADE FOR CHRIST

Volume 9, Issue 2- February 2009

Hilton Head, SC FamilyLife Conference

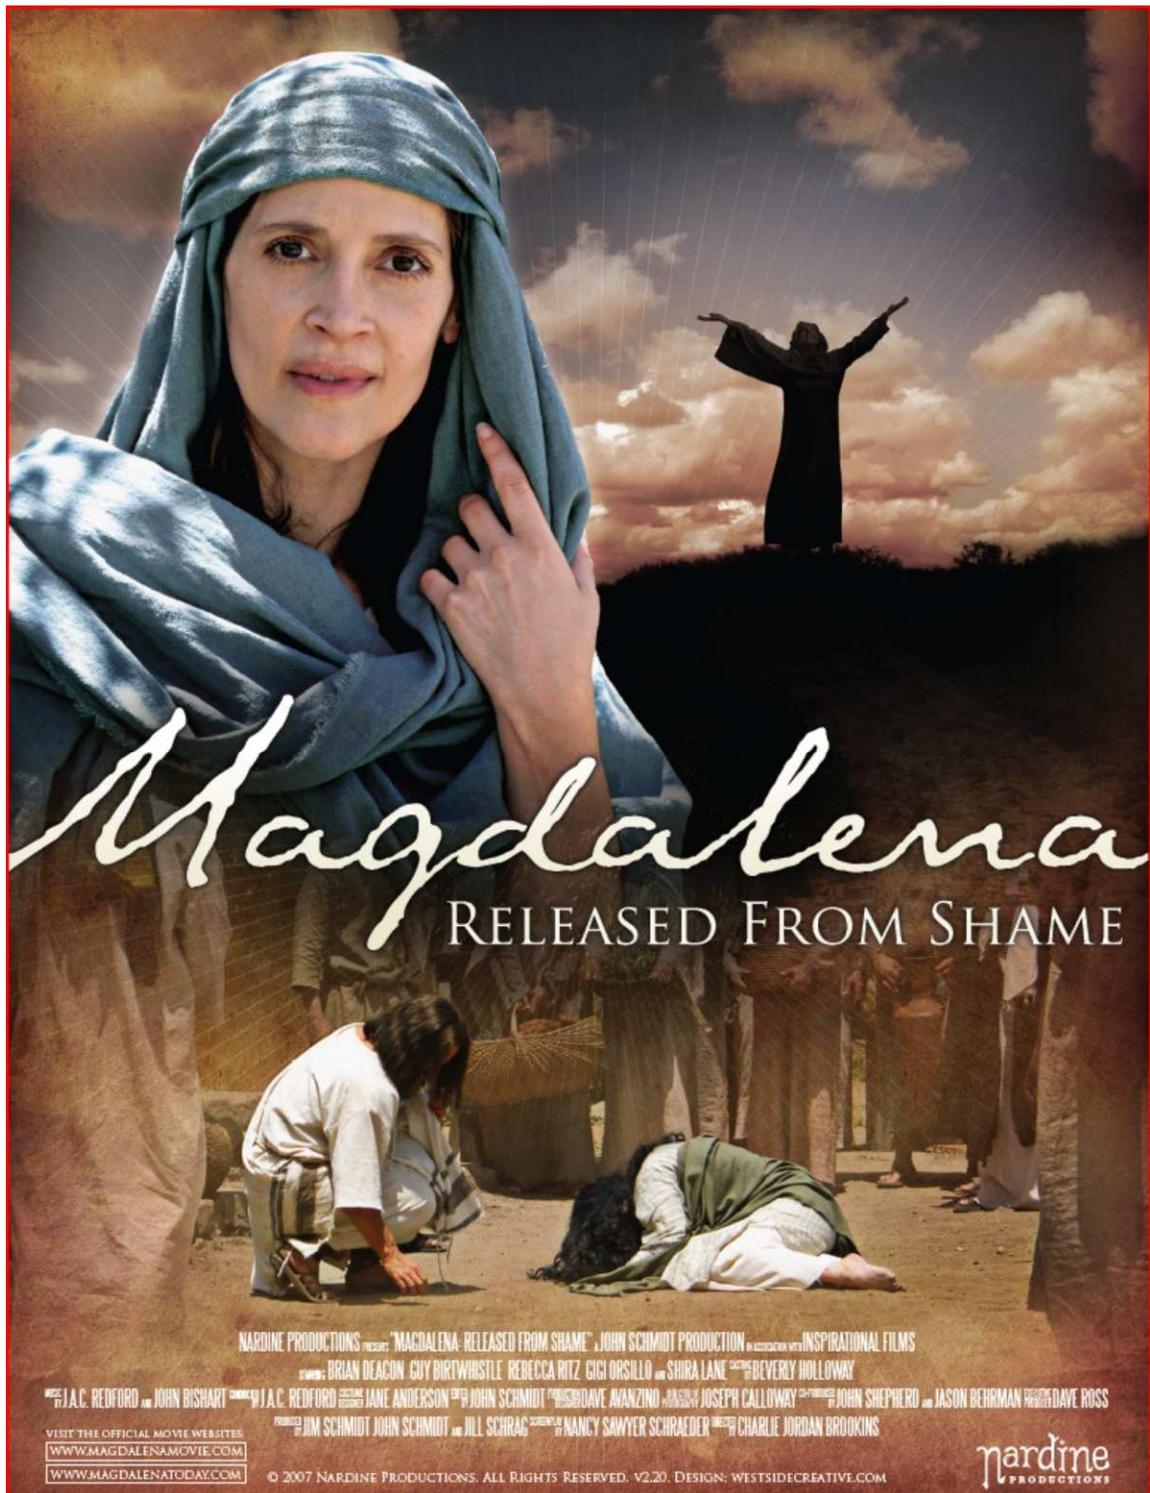

Our first Spring Conference was held in Hilton Head, South Carolina on February 13-15. Hilton Head is a very pretty island right off the coast of South Carolina and just north of Savannah, GA. It was very cool that the conference was on Valentine's Day. How appropriate that the 600 people in attendance were there to work on their marriages and 126 conferees vowed to recommit their marriages to the control of the Holy Spirit. Now, that's romantic! But you can hear it from them:

- *"We actually divorced in May 2008 and through the prayers of many and God's work we reunited and are remarrying April 2009. The conference gave us LOTS of resources to build the new marriage on a much stronger foundation. " Remarrying*
- *"By Friday night we were speaking, by Saturday (lunch) we were TALKING—really talking, by Saturday night I loved my husband in a way I never had. " Married 6 yrs*
- *"Revival and a new light on my marriage. As pastors we are so busy assisting others that we find ourselves drained. This conference has brought revival to our marriage." Married 21 yrs*

In addition to these renewals, eight people came to know the Lord that weekend. Praise the Lord for such bountiful ministry results!

Keeping Up With the Daleys

- **Marshall**— We have been making good progress on finishing a video game for the iPhone and hope to get it published soon. Pray that the game is a success and that we get more work. Pray also that I'd get more hours at my paying job.
- **Elaine & Corey**— We have been having lots of snow here and we lost our power for over 20 hours. Just pray that we will continue to understand the Lord's will for us. We are in a place of confusion right now as to the direction our lives need to take. We need peace and strength.
- **Tim & Judy**— Please pray that the Lord gives us direction and wisdom as we face needing to find additional supporters for our ministry. Please pray for Judy as she continues working with some groups in the community to train them in using the new **Magdalena Released From Shame** movie as an outreach/witnessing tool. Pray that many of her contacts would choose to use the film and that many women in the community would be touched by the truth of God's love for them.

Both women and men all over the globe are being deeply touched by "Magdalena: Released From Shame." They are saying that they have never viewed a film so powerful in communicating that Christ values women and so powerfully communicates the plan of salvation for all. "Magdalena: Released From Shame" is a fresh look at what we believe the people of Christ's time would have experienced when personally encountering His compassion and healing. As a tool for evangelism, it is encouraging women to step out in faith to reach the women in their sphere of influence in a new way. Due to its expression of Christ's valuing of women, the film has found an unusually large audience in the middle east.
