# FamilyLife Has Got You Covered

In addition to our well-known Weekend to Remember Marriage Getaways, FamilyLife is developing all kinds of resources to meet your needs—either personal or in ministry. The following are three of the newest strategies we wanted to make you aware of.

## HomeBuilders

FamilyLife has started to work on a new strategy. FamilyLife is calling it The Homebuilders Movement. Homebuilders are people who invest/build into marriages and families beyond their own. The Homebuilders Movement is “people who care, with a toolbox, who create a movement.” Our toolbox of resources at FamilyLife include our Weekend to Remember Getaways, Homebuilders Small Group Studies, Life Ready resources, The Art of Marriage, e-mentoring, Hope for Orphans, Resurrection Eggs, etc. *Pray for FamilyLife as the Homebuilders messaging and strategy is further defined this fall in preparation to a full Homebuilders message kickoff.*

## FAMILYLIFE presents the art of marriage™

FamilyLife presented the Art of Marriage in a test market during the end of July. This is a new video-based (DVD) marriage conference built on the same biblically based content of the WTR Getaway. The one-and-a-half day event is designed to be led by hosts in a group setting. The DVD uses teaching, engaging stories, real-life testimonies, and humorous vignettes to help couples experience God’s design for marriage. Feedback from attendees was used to edit the material. Updates, additional video content and changes are being made to create another test version for this fall/spring. The Art of Marriage premiere event was on Feb. 11, 2011. We are looking for 100’s of churches to host this event in the future. For more information visit [www.2-11-11.com](http://www.2-11-11.com)

## LIFE READY™

**LifeReady** is an innovative strategy using DVD and web to proactively build marriages and families. It’s training targets key church leaders with the purpose of implementing God’s foundation-laying plan in Genesis for strong marriages, healthy families and great churches. **Explore**, the evangelistic tool, and **CollegeReady** were the first. In October **Marriage Oneness** became available and **LifeReady Woman** is now available.

Other Titles in the LifeReady Series are: **Grace Based Parenting**, **Raising a Modern Day Knight**, and **LifeReady Man**

## LAKE MARY, FL Weekend to Remember-April 1 – 3, 2011

Thank you for praying for us as we worked this conference . We truly depend on your prayers. There were 479 people in attendance. 107 people prayed to recommit themselves and their families to the Lord. 3 people prayed to receive the Lord for the first time. I think these comments from some of our conferees says it all.

When we scheduled this weekend, we had just been recently separated and were trying to rebuild our marriage. This weekend was something we could look forward to and it gave us hope. It did not disappoint. *Married 6 years*

Made me more aware of the challenges of marriage and what it takes to make it thrive. Made me realize we are right for each other and that the movies/ novels aren't realistic. Also that we aren't the only ones with conflict and false expectations. *Engaged*

Gave us a goal we never had. ONENESS. We are walking away God-centered instead of self-centered and looking forward to a new beginning. *Married 10 years*

I realized I was not doing all I can or all that God expects of me. I recommitted to my role as wife and mother. I have a new appreciation of my husband and new respect for him, and I feel committed to loving and supporting him differently. *Married 5 years*

We came here broken. Life had put us through the wringer. We know how to put the pieces back together now. We can breath. Our marriage is back on the right path. *Married 6 years*

On Friday, I was excited. By the end of Saturday we were broken down. By Sunday, we were encouraged that we could make this work and we are committed to work it out in God intended way. *Married 12 years*

## *Updates on the Daleys*

Please continue to pray for us as we prepare to work at the **Myrtle Beach, SC**, conference **Apr 29-May 1**. Pray for many more stories like the ones above. Pray also that many will come to know Him and come to submit their lives and families to Him.

*Everyone at our house has been ill with allergy related illnesses. Pray that everyone gets healthy and has the energy to do God's will and to not be distracted by our weakness .*

*Elaine got a promotion at Universal. She is now a Relief Lead. She asked that you pray for less stress and that she would be able to settle into her new responsibilities.*

*Vince has interviewed for a full time job and ask that you pray that the Lord would make it very clear if he is meant to stay at Universal or switch to something else.*

*Marshall asks for prayer for debilitating fatigue he has been suffering. The heat has already started and it really can wear you out.*
